

ITC Members and Guests,

The Buffalo Thunderbird Club is proud and excited to be the host / city location for the 25th "Silver Anniversary" ITC Convention occurring August 7 - 12, 2018.

We are busy planning your leisure activities and hope everyone will be pleased with the selections offered. Our goal is to make this a memorable, fun and relaxing experience that may bring you back again to see us.

Based on the results of a recent survey some scheduled activities are:

- **Pierce-Arrow Museum:** <http://www.pierce-arrow.com/>
- **Frank Lloyd Wright's "Martin House":** <http://www.martinhouse.org/>
- **Niagara Falls State Park:** <https://www.niagarafallsstatepark.com/>
- **Buffalo & Erie County Naval & Military Park:** <http://buffalonaivalpark.org/>

Aside from Buffalo's rich manufacturing, transportation, automotive and aircraft history, the birthplace of the Grain Elevator; Air-conditioning; the Trico windshield wiper blade and Anchor Bar's "chicken wing" (*just to name a few*), there's a treasure trove of Arts, Architecture, Monuments, Museums, Waterfront, National Historic Sites, Olmsted Parks & Parkways, seasonal festivals as-well-as a variety of cuisine to enjoy. The list goes on and on but we certainly don't want to take the "relaxation" portion away from your stay (*wink*). Those other suggestions will be provided so that you may decide and take advantage, depending on your personal taste/preference AND energy level. Because we're an International border city consider bringing a Passport along for Canada destinations.

To learn more about Western New York's Buffalo/Niagara region before your visit please go to these websites:

Hotel accommodations are at the new Hyatt Place Buffalo/Amherst (<https://buffaloamherst.place.hyatt.com/en/hotel/home.html>) and should provide the comfort and convenience of location needed for this type of event.

From the "The Queen City"..."The Nickel City"..."The City of Good Neighbors" we ALL look forward to seeing and celebrating with YOU in 2018!!!

Sincerely,

Todd
