March 2014

Dedicated to Thunderbird Enthusiasts

Secretary's report

Our March meeting was held at Bill Gray's. We held discussions about the upcoming car show. Plans are coming along nicely. It will be sooner

than we think! Don and Art are looking at possible trophy options. Entrance fees for the show will

remain the same as last year, \$7 advance registration and \$10 day of the show. Tom Hueston is contacting Thunderbird Concepts to inquire about possible donations for the show. Tom is also looking into ways to expand our presence in Rochester through venues like the Rochester Indoor Automotive Flea Market. It may be an opportunity to hand out club flyers next year.

Our website ran into some problems last month which left some sections unavailable. Don is working to rebuild the website. As long as the work needs to be done, it might be an opportunity to incorporate a few changes.

Art continues to pursue destination locations for our summer trips. We're considering a trip to Singer Farms followed by a picnic at Olcott Beach.
