

The Birds' Nest

Newsletter of the Buffalo Thunderbird Club

September 2014

Dedicated to Thunderbird Enthusiasts

Our September outing was held Saturday September 6th at Hidden Valley Animal Adventure. It was a beautiful sunny day to enjoy the animals.

Our thanks to our cruise director Art Lorbeer for arranging this fun outing! The trolley ride got us close and personal with the likes of Randy, we'd say the world's friendliest camel. The kangaroo's in the small animal adventure park were always ready to strike a pose. This is as close to Jurassic Park as you can get. We enjoyed a delicious dinner at the Trailside Grill to finish off the evening.

The next meeting will be held on the 2nd Saturday of the month, **October 11th at 6pm**. This will be a business meeting at **Bill Gray's**. They are located at **8214 Main St., Clarence NY, 14221**. It's just east of Transit Rd. across the street from Auto Place Mercedes, BMW and Smart Car. You can get more information their website at www.billgrays.com. (Note they have coupons on their website

and the phone book.)

This will be an important meeting and we urge you to attend. We will cover such topics as:

- ◆ Officer Nominations
- ◆ Treasurer replacement
- ◆ 2014 Car Show review
- ◆ Future meeting planning

It's a meeting you don't want to miss!

-Enjoy cruising this colorful fall season!

Well it was not easy to say the least, but with your help I was able to put together a slideshow of the July CTCI convention.

It is with great appreciation I thank those who were gracious enough to supply me with pictures.

With that being said please go to www.thunderbirdcircleoc.com click on the detour sign at the top, turn on your speakers sit back and enjoy.
