Secretaries Report:

Our June meeting was a destination meeting held at the Erie Basin Marina. Perhaps the rain earlier in the day kept some birds away however the evening was sunny and breezy. We enjoyed dinner at the Hatch and some of us enjoyed ice cream too! As this was more of a pleasure meeting we only had a mini meeting to update members on the car show activities. Art did have completed award plaques for the car show for members to see – they turned out GREAT! Our THANKS to Wendee and Art Lorbeer for setting up our destination meeting – it was a great location!

There is no 1st Saturday of the month July meeting due to the holiday. We are however hosting a cruise to Olcott Beach on Sunday July 22nd. We plan on meeting at 12 noon at a Transit road location so we that we may cruise out to Olcott as a group. We will have some free time in Olcott to visit the shops and carousel. Barb Colley an area shop owner will give a presentation on Olcott's historical past. We will meet for dinner at 3p at Mariners Landing. Please call Wendee and Art Lorbeer to RSVP at 633-8433 by Monday July 16th. They have been busy making arrangements for this cruise to come together for our enjoyment. Even if your bird isn't in driving condition we still want you to join us for the cruise!

Just a reminder our car show is
